To Whom It May Concern:

It is my pleasure to be able to provide a recommendation for Toni Seawright for a position with your company. Toni has a lovely spirit and energy along with a multitude of skills and talents that I know would be of great benefit to your business.

Toni's incredibly diverse background in the arts provides her with the extra edge and insight needed in a profession that requires a keen eye for original talent: and, that intangible quality sometimes referred to as "the X factor" artists need to advance their careers and achieve success.

As the first African-American Miss Mississippi, and background singer for a number of musical legends such as Teena Marie, Freddie Jackson, Melba Moore and many others, along with touring with "The Wiz" and other Broadway shows, Toni has real-world experience and knowledge about every aspect of the music and entertainment industry.

From A&R, to talent management and everything in-between, Toni Seawright has what it takes to help your company grow and flourish!

Please feel free to reach out to me directly if you have any other questions!

Best,
